The first volume of the „Lexicon of Violinists“ contains the biographies of 3039 partly famous, partly less well-known violinists (soloists, quartet and trio members) with the first letter of their names from A - F (printed in bold), who were born worldwide in the 100 years between 1830 and 1930. Historically interesting is the extensive network of personal relationships and friendships between the violinists, which can be seen from the large number of biographies of this violinist encyclopedia of the 19th and 20th centuries.

A total of 5 volumes of the lexicon are planned, which will be published continuously. The first volume of the „Lexicon of Violinists“ printed as hardcover of high quality includes a separate 1. Register Volume in the same format but with somewhat simpler quality as a brochure, which contains the following directories:

- Personal Register of Volume 1 (with 12.410 personal names of A – Z)
- List of References (used for all ~5 volumes of the lexicon)
- List of Abbreviations (used for all ~5 volumes of the lexicon).

In the Personal Register of Volume 2 (in preparation), a complete catalog of the “Kevork-Marouchian Gramophone Record Collection” with the approximately 10,000 records of the collection (mainly Shellac records) will be published for the first time (future location: Czech National Museum, Prague).

The publication of Volume 1, consisting of two volumes, is planned for September 2020. In order to get it going, 500 subscribed copies are required. The subscription starts on April 1st., 2020. The subscription price for the normal edition is EUR 99.00 per copy (incl. Register Volume and shipping). The subscription period ends on July 30, 2020. If 500 subscribed copies are reached, the invoices will be sent. As soon as these are paid, the books can be produced and shipped. From August 2020, the regular price of the normal edition will be EUR 139.00 / copy.

For friends and lovers of the first edition of Volume 1 of the „Lexicon of Violinists“ a „De Luxe - Special Edition“ of a limited number of 30 copies (including the separate 1. Register Volume) will be produced at a fancy collector’s price of EUR 199.00 per copy. Each of these luxuriously bound books is carefully numbered from 1 to 30. It is not possible to reprint this limited edition, so there is no subscription period for it.
